

2018 BYOD - Bring Your Own Device Program

Dear 2017 Stage 2/3 Parents,

As you are aware, Cronulla PS facilitates a BYOD (Bring Your Own Device) Laptop program across Years 4, 5 and 6. Our vision is to enable creative and innovative learning opportunities for students using BYOD as a tool to facilitate learning. We would encourage parents to consider BYOD if making technology purchases for children over the Christmas period, although existing devices are perfectly suitable if they meet our requirements. We will also be working in partnership with JB Hi-Fi to offer parents education specific devices through JB-HiFi education portal.

The JB-HiFi portal can be located at <https://www.jbeducation.com.au/byod/>.

Please use the follow code **CPSBYOD2018** to access our school BYOD portal.
